

Connections | December 2024

Managing your personal wealth isn't just about the dollars and cents. It's about connecting with what matters to you. Across all generations from life changes through life stages, Mesirow is here to help.

This quarter, we've written about how finances can adapt to various life and investment transitions.

Is early retirement right for you?

At one time or another you may be offered the opportunity to "retire early" - well before your 65th birthday. It is important to plan for this contingency in advance.

10 things you might not know about your Health Savings Account (HSA)

One of the key advantages of an HSA is its flexibility. For the short term, you can use it to pay for immediate medical expenses. But, if you don't need to spend on medical expenses in any given year or choose to pay for those expenses from a different source, your account can grow... significantly. Over the long term, there is no better tax-deferred wealth accumulation vehicle.
